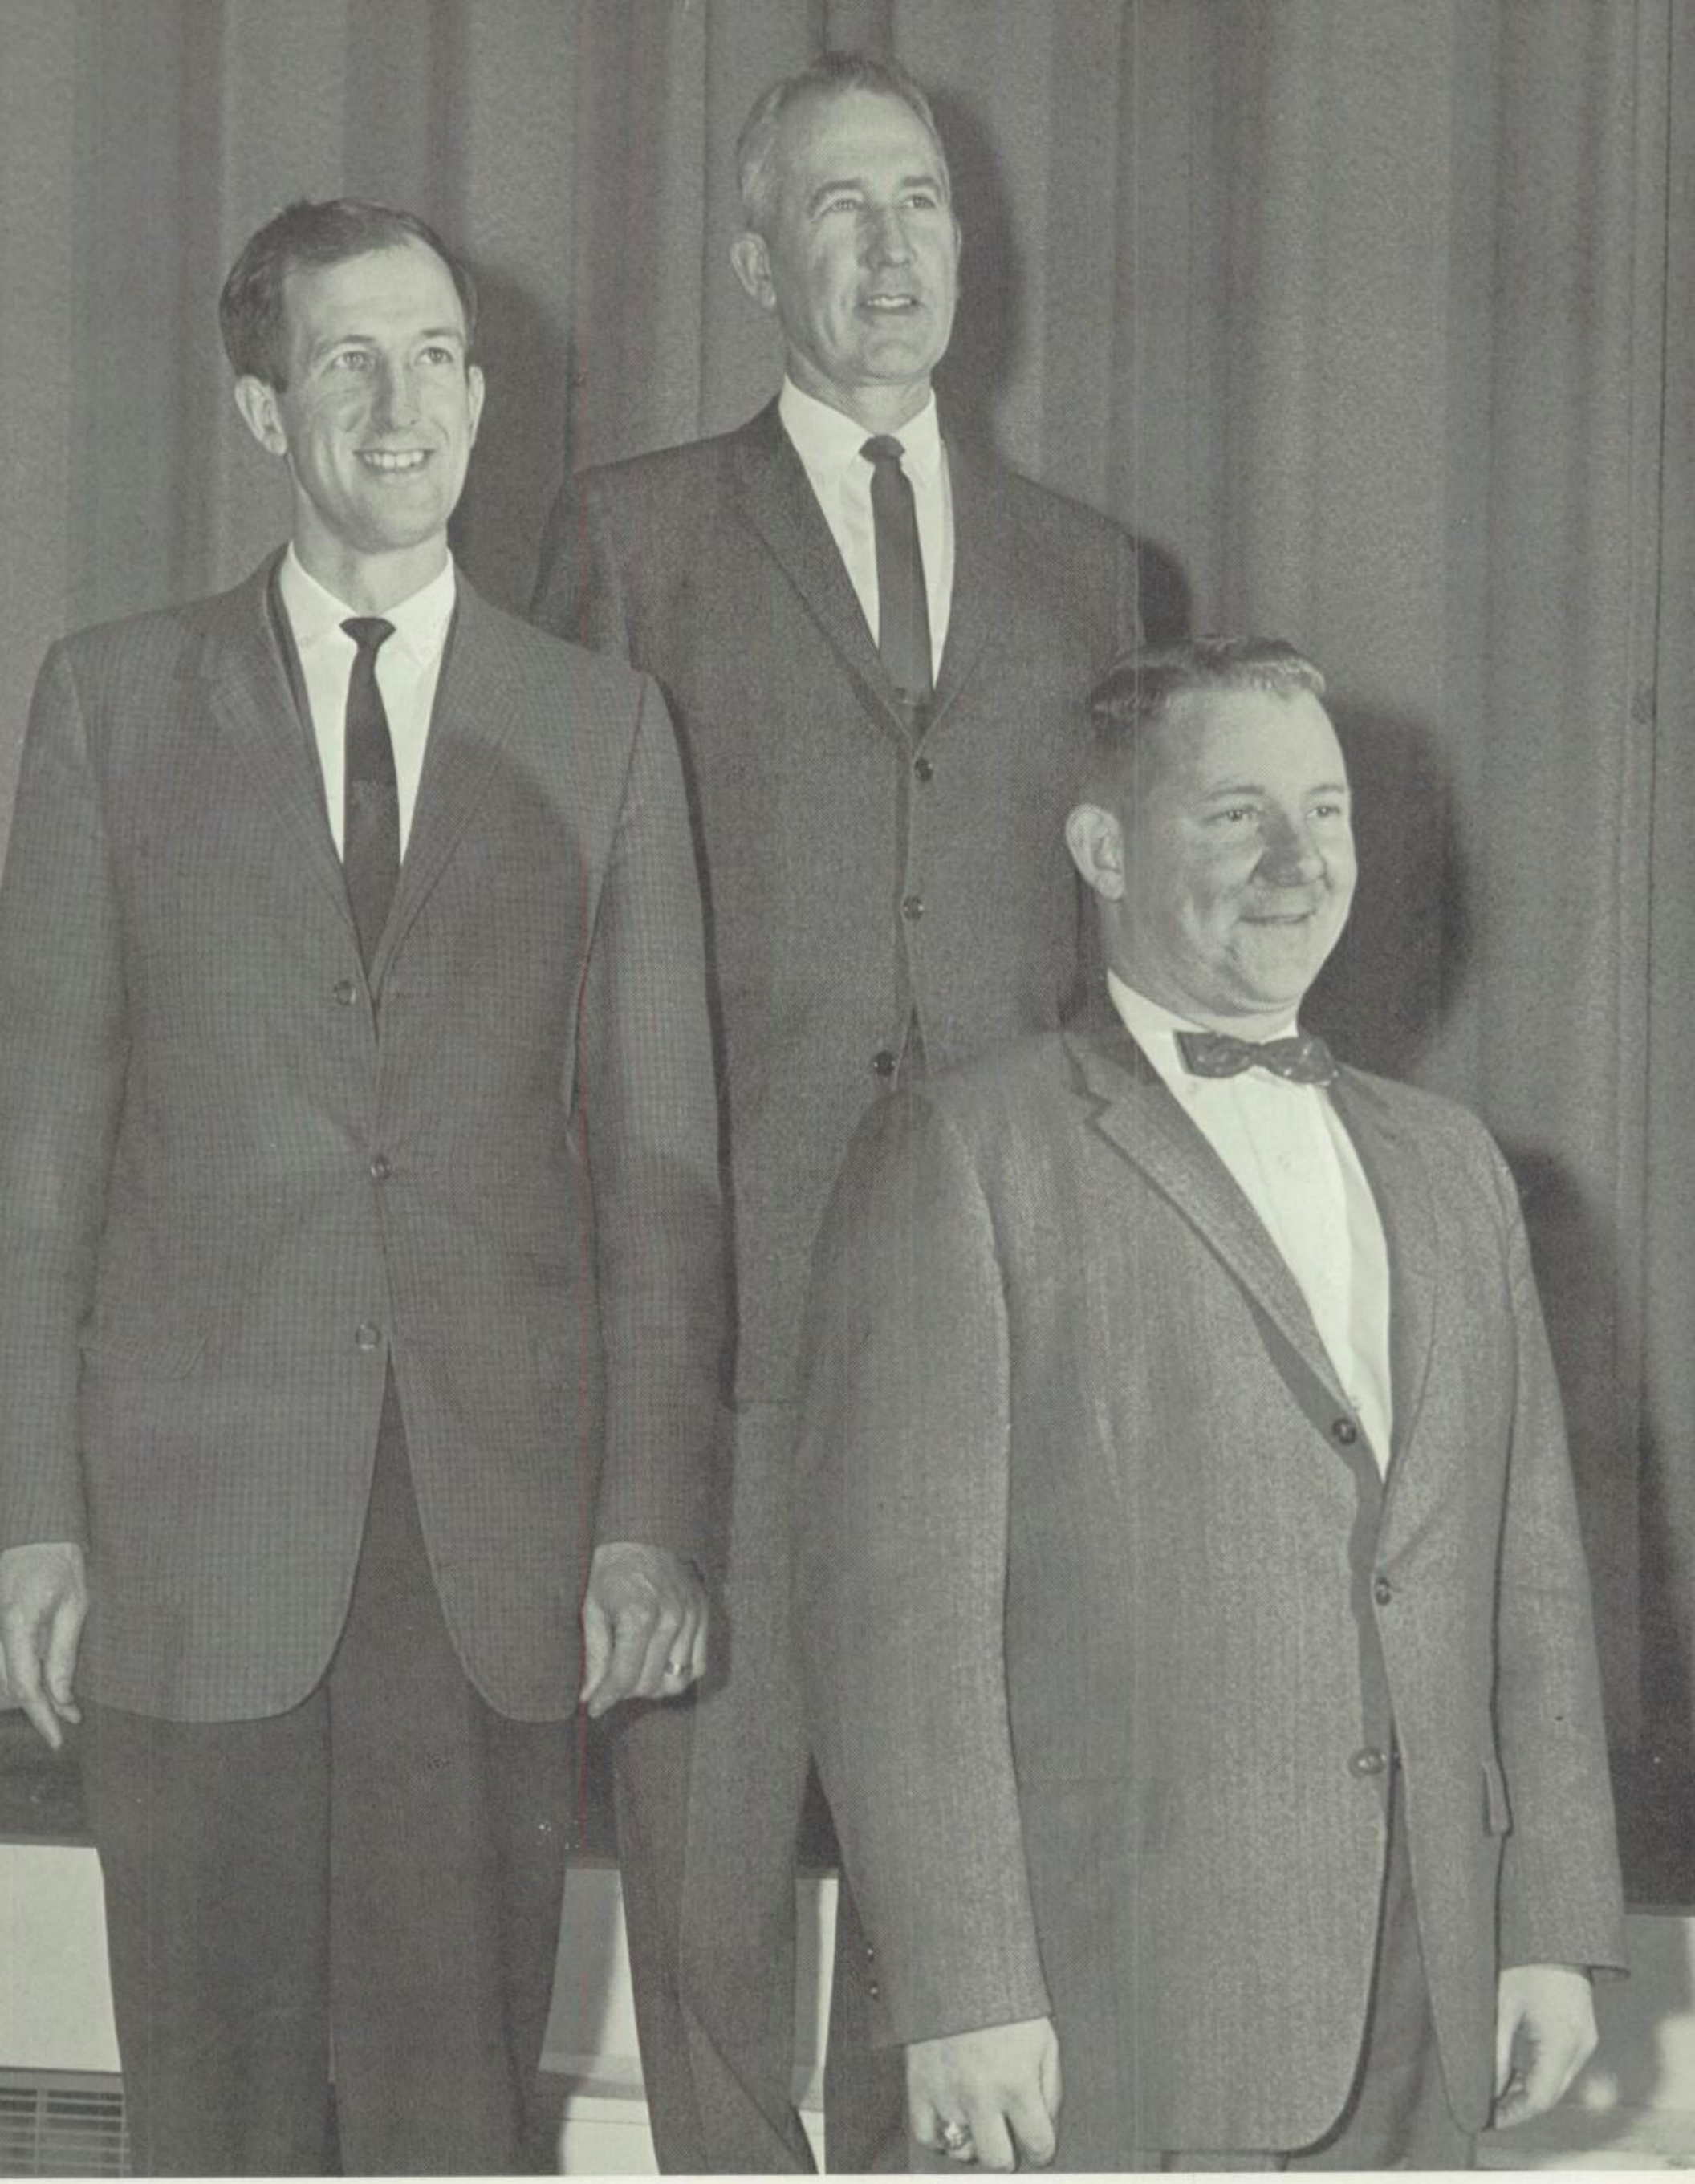
FOREWORD

The past school year can be summed up in one word: Progress. Our school has grown in both prestige and unity. This growth and progress is attributed to our fine administration and the increased enthusiasm of the student body. Our academic status, as well as extra curricular activities, have expanded in both quality and size.

We have succeeded in building a fine reputation for our school, a reputation that we must keep and build even stronger.

We, the members of the Yearbook Staff, dedicate this book to progress. We hope that the students who will follow us will set their goals as high as we have.

The School Board members of Brooklyn Center High are (L. to R.) Melvin O. Westlund, Dr. Robert L. Vernier, Donald Johnson, Superintendent Ralph L. McCartney, Gilbert Engdahl, Manfred G. Davidson, Carl L. Lundstrom.



Keeping a watchful eye on our school's growing student body and activities are our capable administrators, Mr. McCartney, superintendent (TOP); Mr. Bernards, Principal (LOWER LEFT); and Mr. O'Toole, Vice Principal (RIGHT).

Business in the office is handled by (L. to R.) Mrs. Voss, who is secretary to Mr. McCartney; Mrs. Nye, who is secretary to Mr. Bernards; Mrs. Kokesh who is receptionist and bookkeeper; and Mrs. Gibney, secretary to the counselors.

Forest Lake	6-14	Sp. Lake Pk.	6-33	Osseo	0-21

Brooklyn Center is improving from year to year. Last year the team won two games and this year won four big games. They started the year off great by defeating Simley who went undefeated in their conference. Later in the season our Centaurs defeated Centennial by an overwhelming score of 39-0. This is the most number of points a Centaur team has ever scored in a football game. An even brighter future could be in store for the Centaurs next season as most of the team is returning with two years of experience.

The wrestling team won 4, lost 8 and tied 1; placing 4th in the conference, 4th in the district, 8th in the region and 18th in the state. Bob Johnson was the first wrestler to go to state, placing second. Bob Ledin made quite a record of 10 falls out of 13 matches. The captain of this years team was Howie Potvin.

The hockey team as did most of our teams improved greatly, they won 12 and lost 6 tieing one. With the leadership of captain Dennis Rekstad and assistant captain Paul Taylor, the only two seniors on the team, the took took third place in the conference. All conference players are Dennis Rekstad and Paul Ruikka; Howie Bahanon received honorable mention. The team this year for the very first time had its very own hockey rink to work out on.

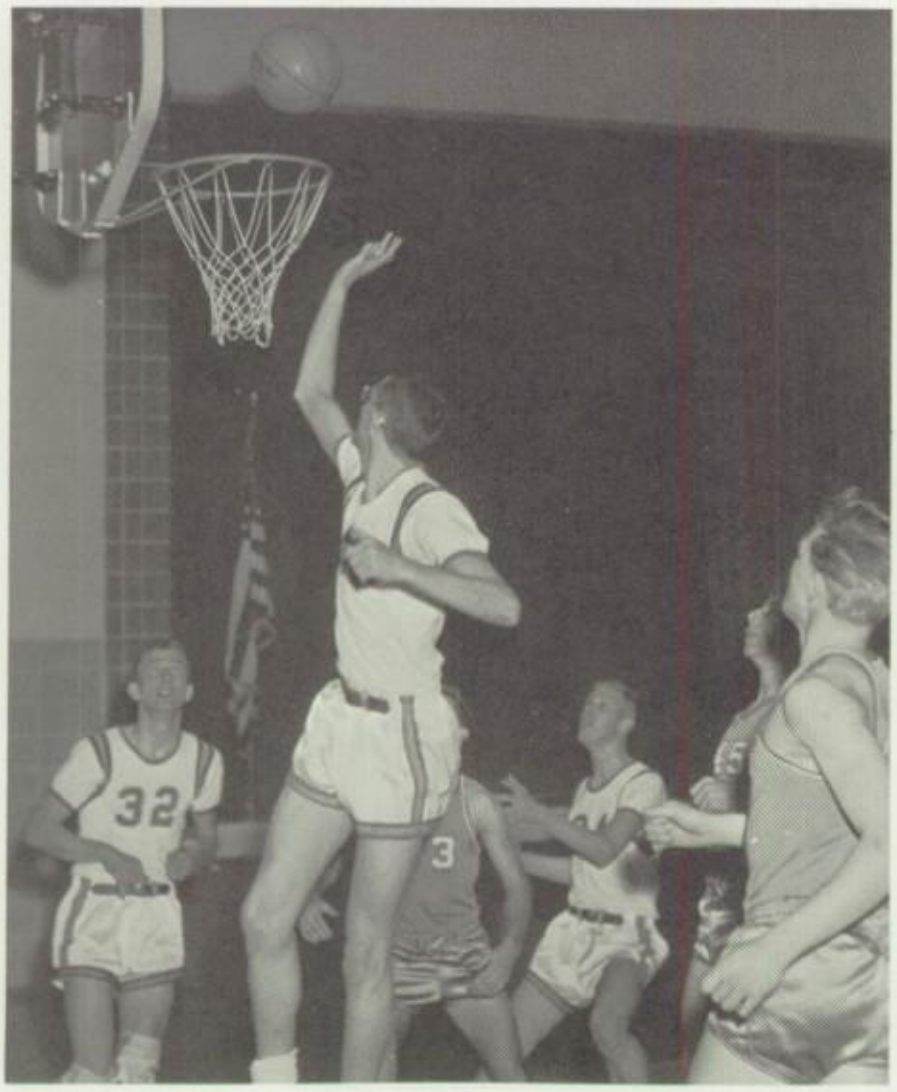
ACTION!!!

Gi'me, Gi'me

Up they go.

The team had a very good year; as a matter of fact they were 800% better than last year. During the year the mighty Centaur cagers won five conference and two non-conference games. The first win for the Centaurs was against St. Anthony 59-56. When district playoffs came around, they were just as tough. They beat Fridley for the first time in history 54-41 before losing to a great Mora team 64-49.



Is it or isn't it.

Look at him go.

TRACK . . .

Faster! Faster!

Bob and The Shot!

The track team this year won 1 and lost 3 games. School records were set by Dennis Davidson in the mile and half mile, Joe Krekelberg in the 440 yard dash, Dick Crow in the 220 and 100 yard dash and broad jump, Ron Strong in the high jump and Bob Johnson in the shotput and discus. The out look for next years team looks good with fourteen of the twenty-three boys returning eight of which are lettermen. Unlike other sports it has a place for every boy the slow and strong, the fast and slender or just the average person. They will have a track in this coming year so lets see you get out there!

TENNIS . . .

ROW 1: Coach Mr. Paul Bouchard, D. Hartman, R. Fierst. ROW 2: J. Kipp, M. Liapis, L. Dondelinger.

Captain Dan Hartman and Ron Fierst placed 4th in the doubles in conference. Mike Liapes placec 3rd in the doubles in the district. The team as a whole won five and lost four games.

GOLF

The golf team has much improved both in playing skill and number of players. Coached by Jim Gardener the team succeeded in taking 4th place in the conference. Bob Didrekson received the trophy for the most improved player. Every golfer some day hopes to make the hole in one shot but not many do. Roger Hansegard in the conference meet was lucky enough to do so.

CROSS COUNTRY . . .

ROW 1: H. Potvin, D. Potvin, J. Brink. ROW 2: D. Crow, D. Davidson, T. Beggs, S. Hendrickson, P. Wilson.

The team this year has for its record five wins and six losses. They tied for fourth place in the Skyline Conference meet and took fifth place in the District sixteen meet. The toughest team that B.C. had to play against was that of Osseo. The team next year will be built mainly around Dennis Davidson, next year's captain, Dennis Potvin, Al Howe and Bob Dehn. For those who do not understand Cross Country it involves endurance and strength for long continuous runs of about 1.8 miles over hilly country.

Of the ten games that the gymnastic team played they won four and lost six. Some of the teams that they lost to are Mpls. Marshall (A class state champions), Robbinsdale, and state team champions Alexander Ramsey. There was no state champion this year but a very coveted regional champions was won by Mike Witkowski. John Walsh, Gale Anderson, Jim Groves and Glen Peterson also did an outstanding job this year.

CLASS OFFICERS

The busiest people in our Senior Class this year were those who had been elected Senior Class Officers. Robert Carlson presided over the Senior meetings. Diane Warner was always on hand in case of the president's absence. Merrie Bloom took notes at all the business meetings. Pricilla Fournier had the not-so-easy job of making sure all the senior's had paid their dues.

The PLANNING COMMITTEE includes four hard working people who plan the years activities for the seniors. They work with the executive board in selecting the various committees that supervise the activities. They planned ways and means in which the seniors could supplement their senior budget. This year a successful Community Work Day was scheduled, where the seniors worked for set wages.

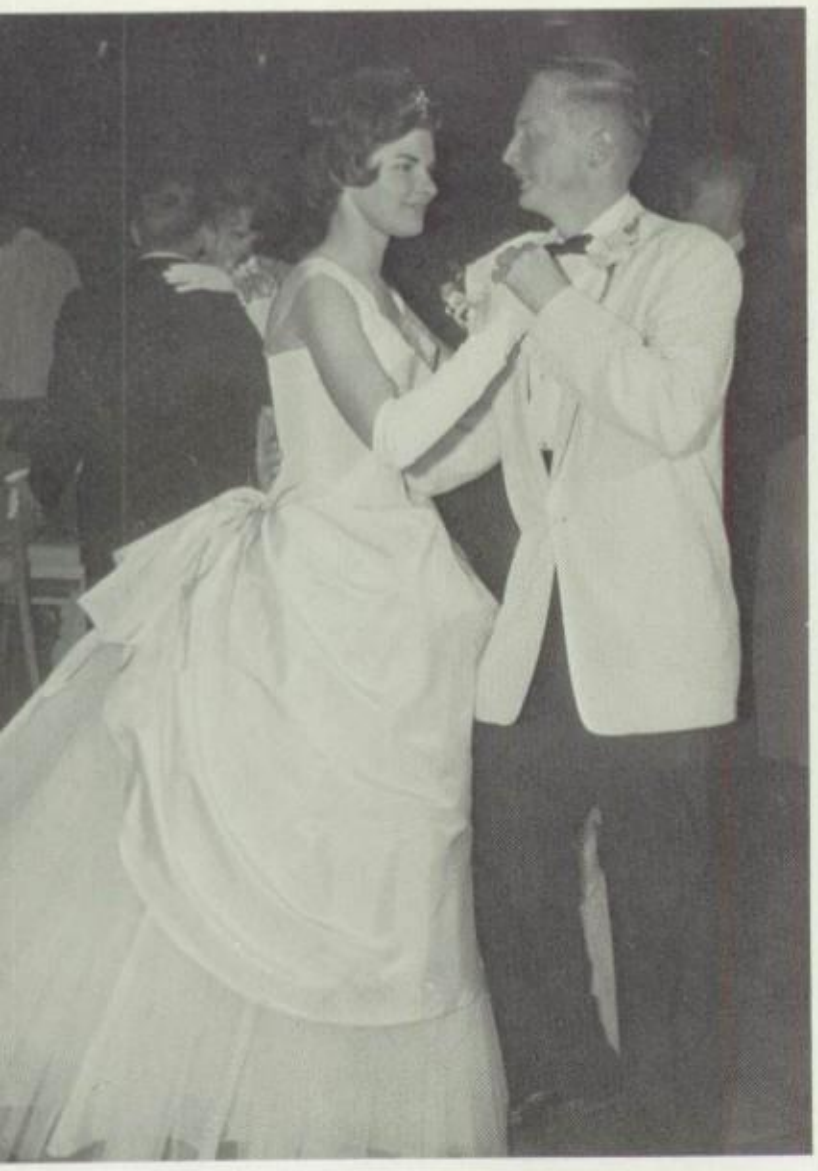
COACHMAN THREE

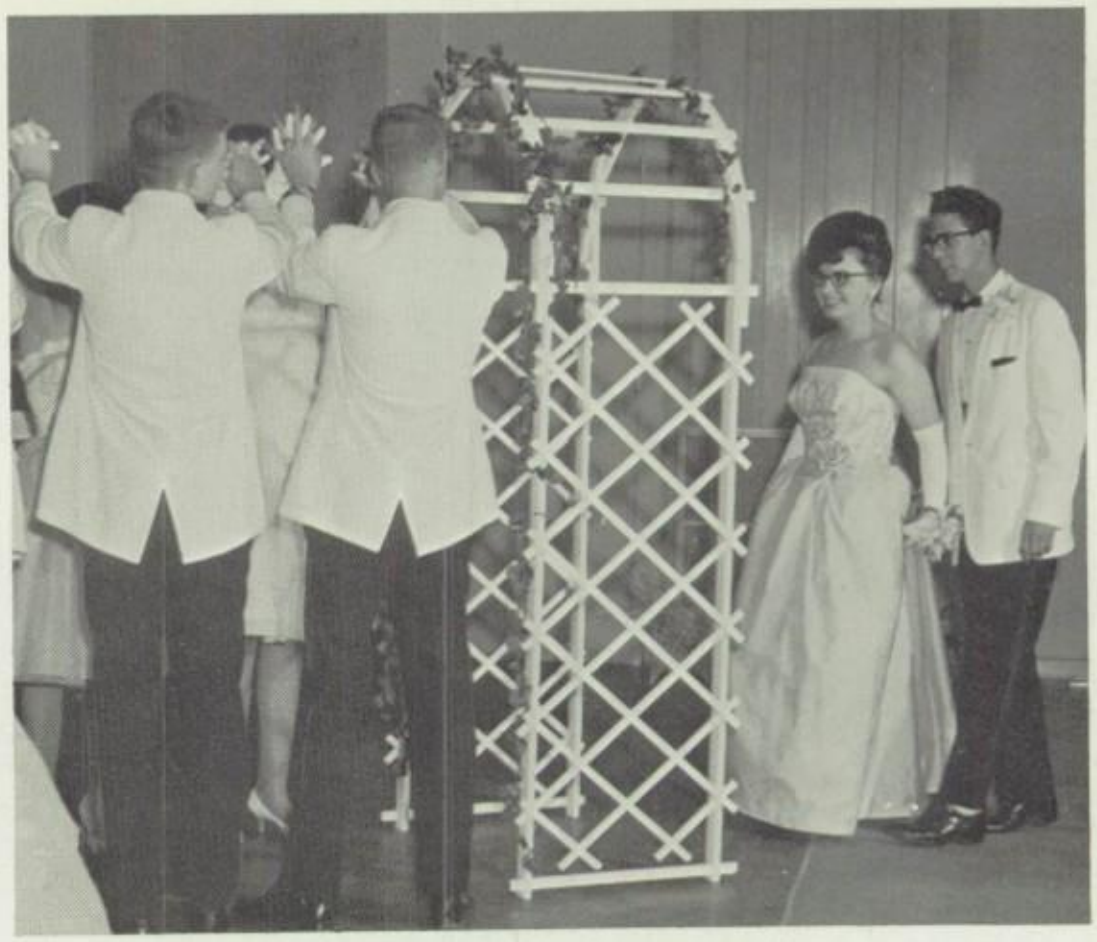
OUR SENIOR BANQUET

A traditional evening was the center of enjoyment for all seniors on April 25, at Dayton's Skyroom. An entertaining program was put on by Mike Peterson, who sang, by the Coachmen Three, and by Randy Hawthorne, emcee, who read the class prophecy.



Flori Ingle and Jim Hannay

AND PROM



Joanne Johnson and Escort

Sandy Lindbloom and Ron Peter

Being congratulated by Mr. Bernards are James Hannay, Linda Deglmann, Carol Westlund, and Diane Warner.
Those who have already received their formal congratulations are Florence Ingle, Don Seberg, Ruthanne Komperud, Roger Hansegard, Merrie Bloom and James Grassman.

GRADUATION DAY

After many years of preparation the final days are upon us. We have had varied experiences, all leading toward one common goal--and now that goal, graduation, is reached.
The feelings are mixed among the Seniors on these final days. Some are happy, but yet they are sad because they know only too well that they must face a new world--a confused world that isn't being handed to them on a silver platter.
Graduation means leaving friends; some of whom they have known for many years. It means leaving a school where we have helped set precedents of which we can be proud. Some know that it means the military services ahead.
But because we are graduates and are expected to be mature we must follow through. We must all pitch in and do our individual tasks, for this is the only way we can make the world a better place in which to live.

Looking over the diploma are (l to r) Ruthanne Komperud, Randy Hawthorne, Florence Ingle and Merrie Bloom.
